Diamond Jubilee Workshop

Overview

2012 commemorates the very special occasion of the Queen's Diamond Jubilee marking 60 years of the Queen's Reign. To celebrate the occasion we have created a very special workshop designed to inspire and educate children to the ideas and artefacts of history associated with past & present Royalties. Our Diamond Jubilee Workshop includes a choice of items to decorate using an endless variety of materials to stick, glitter and gem on to. We are looking for children to create their very own Royal Crown Jewel and in this workshop they will have everything required to do so we guarantee it!

Graffiti Wall - £350

We can construct a large scaled Graffiti Wall - Approx size of 2-3 metres wide and 2 metres high at a cost of £350. The wall will be constructed into parts which can be easily assembled and dissembled for convenience. It can be plain or have a simple outline design of your chosen theme. The wall gives children the opportunity to add their own creative mark. This is a great additional to any event.

If you are interested in this extra activity we will require a lead time of 4 weeks prior to an event.
