Activity Sheet

Masquerade Masks

Masquerade Mask Making - Lively and colourful, in fact a real carnival atmosphere can be created in this workshop and its certainly one if your are up for a bit of creativity and amusement. Just imagine the assortment of finished masks each with their own unique individual style and appearance! Take some suitable themed props, colourful guests and a steel band and you have just the right mix for a fantastic Mardi Gras carnival party!

Overview

Designed as a evening table activity for guests to create their own Masquerade Masks for the forthcoming evenings activities. Suitable for all types of themed parties and great as an icebreaker!

The Artists Brief:

Participants will be given a different assortment of masks which they then have to choose from and design using the many different, creative & colourful materials on offer. All the equipment they will need will be on display for them to use.

Just some of the materials
